

## 4632 Chlorine Dioxide Analyzer System

| MFR #      | Description                                                                                                    | Code               |
|------------|----------------------------------------------------------------------------------------------------------------|--------------------|
| 3-2650-7   | Amperometric in-line sensor electronics, digital (S3L), 4.6 m (15ft) cable                                     | <b>159 001 670</b> |
| 3-2724-00  | pH Electrode, Flat, 3/4 in. NPT Thread                                                                         | <b>159 001 545</b> |
| 3-2632.391 | Chlorine Dioxide electrody, 30 mL                                                                              | <b>159 310 160</b> |
| 3-2632.398 | Chlorine Dioxide maintenance kit - (2) electrolyte, (2) PTFE membranes, (2) silicone bands and polishing paper | <b>159 310 165</b> |
| 3-8630-3P  | Panel mount chlorine and pH transmitter                                                                        | <b>159 001 673</b> |
| 3-2632-1   | Chlorine Dioxide electrode, 0 to 2 ppm (mg/L)                                                                  | <b>159 001 767</b> |
| 3-2750-7   | pH electronics, digital (S3L), 4.6 (15ft) cable                                                                | <b>159 001 671</b> |
| 3-4630.390 | Rebuild kit, O-rings, boots, screws, 1 filter screen                                                           | <b>159 001 688</b> |
| 3-4630.391 | Pressure regulator with 1 spare filter screen                                                                  | <b>159 001 689</b> |
| 3-4630.392 | Acrylic flow cell complete with all components and connections                                                 | <b>159 001 690</b> |
| 3-2630.394 | Free Chlorine Replacement PTFE membrane (1)                                                                    | <b>159 310 164</b> |
| 7300-0024  | 24 VDC power supply                                                                                            | <b>159 001 693</b> |
| 3-4630.393 | Flow Switch kit, Chlorine PP                                                                                   | <b>159 310 162</b> |
